

Rails - Rods - Finials - Holdbacks - Curtain Accessories

CONDITIONS OF SALE

All goods remain the property of D'ziner Essentials until paid for in full.
Prices are subject to change without prior notice.

TURN - AROUND TIME

We strive to ensure a 48 hour turn around time during off peak periods and a 5 day turn around time during peak periods.

ORDERS

Please note that all orders for delivery should be given before 12pm, the day before your expected delivery (see below for the delivery schedule).

This cut off time applies to all orders with the exception of rail orders, which we require a 3 day notice in order to complete production of your order. During peak periods (November and December orders) a ONE WEEK notice period is advisable for all goods to ensure products are delivered timeously.

DELIVERY SCHEDULE

Monday: Fordsburg and every alternate Monday to Eastrand
Tuesday: Johannesburg and outlying areas
Wednesday: Vereeniging and surrounding areas
Thursday: Pretoria
Friday: Lenasia

Orders above R1 500 may be eligible for free delivery. This is location dependent. Furthermore, cross border cartage will not be included under these circumstances.

PAYMENT TERMS AND SETTLEMENT DISCOUNTS:

Payment terms must be strictly adhered to as agreed upon. Failure to adhere to payment terms could unfortunately result in your account being placed on hold or closed. Orders pending payment outside these terms will only be released once funds are received.

RETURN POLICY

Please be advised that no claims will be considered unless brought to our attention within 7 days of receipt. It is advisable that all goods be checked before signing acceptance of delivery. Claims for shortages and damages will not be accepted if not reported **WITHIN 7 DAYS OF RECEIPT**. Goods returned must in its original packaging, without any additional markings or price tags. Damaged goods will not be considered for credit. Please note that upon receiving goods, any discrepancies or damages should be clearly indicated on the waybill. We cannot be accountable for damaged goods if the damages are not clearly and accurately endorsed on the waybill.

Goods cannot be marked as "not checked" on the waybill, damaged goods must be clearly indicated with the word "damaged" on the waybill. Customers will be accountable for 'back to factory' freight charges or any additional handling fee incurred upon returning of goods.

Special Orders and measurement specific goods will not be accepted for returns.

RAIL

SlimFlex®

THE NEW
GENERATION
CURTAIN
RAIL

SlimFlex®

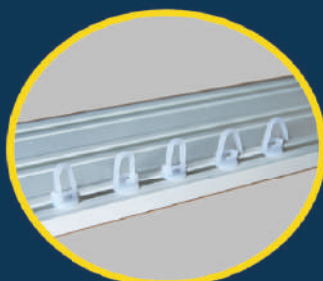

**100%
RUST
FREE**

Dowel Stop

Can hold the curtain back on the edges. It can also be adjusted as required.

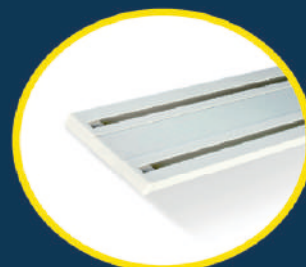

Smooth gliding, 2-in-1 hook and runner system. No need to buy extra hooks!

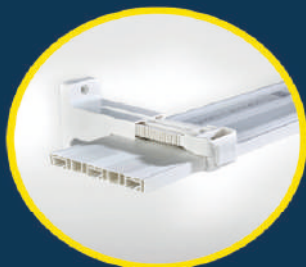

Strong and Durable

Can carry 5kg of fabric for every 0.5m of rail.

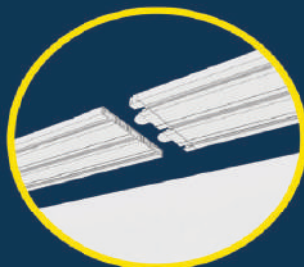

End Stop

Prevents the curtain from sliding off at the end of the rail.

Wall Bracket

For easy wall mounting, with "press sled" system.

Connector

Connects two different sized rails together.

Comfort Kit

Curtain can be hanged & removed from the middle of the rail.

Comfort Kit Finial

2-IN-1 Comfort Kit & End Stop in one.

Compatible with any type of Blind.

90° Corner Joiner

Perfect for corner windows.

45° Corner Joiner

Perfect for bay windows.

Can be mounted directly onto the ceiling with ease.

Irismo™ 35 Master Carrier

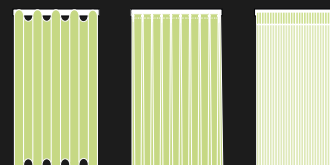

Heavy duty master carrier

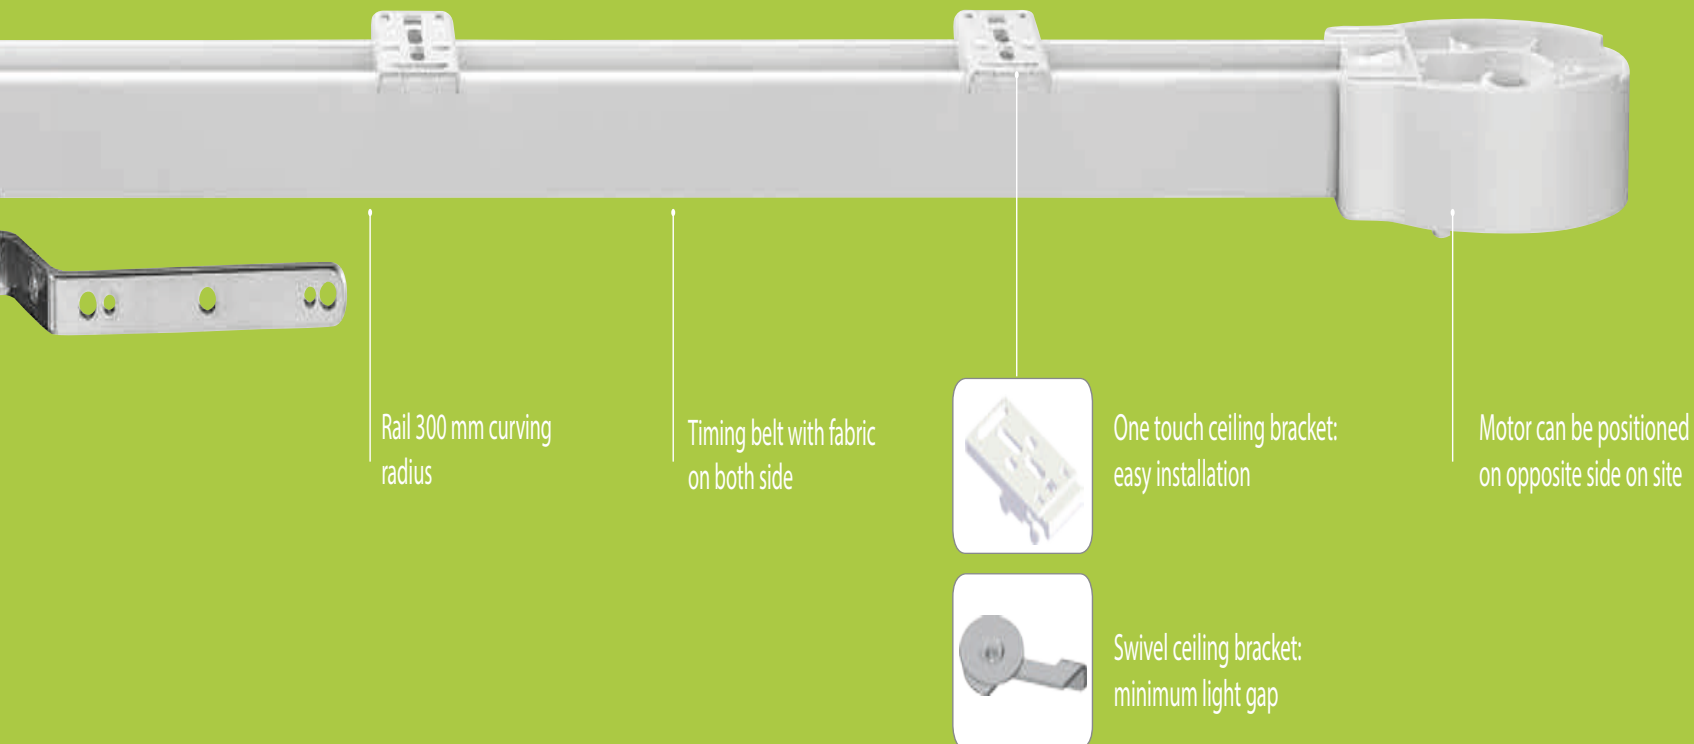

Irismo™, the best of Somfy motorization

The sophistication of Irismo™ is reflected in the simple forms and sleek lines of the motor and the rail, by Somfy patented innovations.

Main features

- Rail up to 10 m long.
- Bending radius from 300 mm.
- Large choice of rail shapes.
- Curtain weight up to 10 kg/m.
- Speed: 15 cm/s.
- Compatible with all cabling types.
- Large range of accessories to adapt to different types of curtains.

Strength

- Manual operation possible with or without power.
- The Lyrattech system automatically disengages the motor shaft in manual operation.

Acoustic quality

- Low noise level of the motorized track system < 50 dB (A).

Flexibility

- False ceiling mounting.
- Back release: stress on curtain relieved in opening.

Standard mounting

False ceiling mounting

Irismo™, Somfy quality
5 years international warranty.

International certifications.

Glydea™, the difference is in the detail

The sophistication of Glydea™ is reflected in the simple forms and sleek lines of the motor and the rail.

Aesthetic

- Somfy Innovation: Patented cover neat design hides the cabling and protects the connectors and the control modules inside the motor.
- Reduced gap light thanks to the rail design and the swivel ceiling bracket.
- Adjustable limits, to allow the curtain to fall nicely.

Flexibility

- Large offer of hardware: Components to adapt to different types of curtains.
- Somfy Innovation: Plug in modules for a large range of control systems.

Quiet

- Low noise level of the motorized track (<44 dB(A)), thanks to the motor design and the use of a timing belt.
- Soft start and soft stop.

Efficiency

- Touch Motion feature, to open and close the curtain simply by pulling on the fabric.
- "My" function, to automatically control the curtain to a preferred position.
- Adjustable speed: 12.5 cm/s to 20 cm/s.

Robust Design

- Somfy Innovation: Lyrease mechanical system which disengages automatically the motor drive shaft for manual operation preserving the fabric.
- Setting buttons and cabling not accessible to the end user.
- No maintenance necessary after installation.

Glydea™, Somfy quality
Tested for 15 years of operation.
5 years international warranty.
International certifications.
